Cheers to 32 Years!

April marked Belva Rasmussen's 32nd year with Northeast Bank! Belva joined the Northeast Bank Board of Directors in 1986. On April 1, 1987, she accepted a position working for Northeast Bank's Holding Company. She worked with her husband, Walter, until he passed in 1991. At that time, she became the Chair of the Board, a title which she holds today.

Her passion and resolve to improve our communities have led her to receive recognition from the Greater Twin Cities United Way, the City of Minneapolis and the East Side Exchange Club, in addition to many awards bestowed upon the bank for our company's philanthropic efforts.

Speaker Recap

On Wednesday, April 10, Northeast Bank was proud to host our Spring Bingo Party! We had a great turnout of over 100 Free Spirit Club members & their guests. As a special addition, we had a guest speaker from the Hennepin County Attorney's Office. The speaker, Susan B. Crumb, is a Senior Assistant Hennepin County Attorney in the Complex Crimes Unit. She spoke to members regarding recent scams. She even brought in examples of hoax calls and what to look out for. If you would like more information from her presentation, please give us a call at 612-379-8811.

CANCELLATION POLICY

Each travel company has a different cancellation policy. Policies may vary between day & extended tours. SUMMER DAY TRIP HIGHLIGHT:

Fly Over America - August 27, 2019 - \$69

In the hot summer days of August, what better way to spend a day than in the air-conditioned comfort of the flight simulator known as Fly Over America! This is a wonderful opportunity to have an experience like none other. Experience the smells, feel the breeze, and enjoy some of the greatest landmarks and scenery that the United States has to offer!

On this trip, we will also enjoy a tour of the Ronald McDonald House in Minneapolis, where families can have a "home away from home" when children are receiving treatment. We will see all of the great things that they do for our community and for families that may be struggling while a child is getting care.

To end our trip, we will visit the Minnesota DOT Operations Center. This unique experience will immerse us in the operations of the the Minnesota metro area - including the people and cameras scanning our highways for trouble and sending help when it is needed.

We asked our employees..... "What is your favorite summer activity?"

"I love spending time kayaking, paddle boarding, fishing, and relaxing at our family cabin near Cross Lake, MN." - Kristy Moyer, Relationship Banking Manager

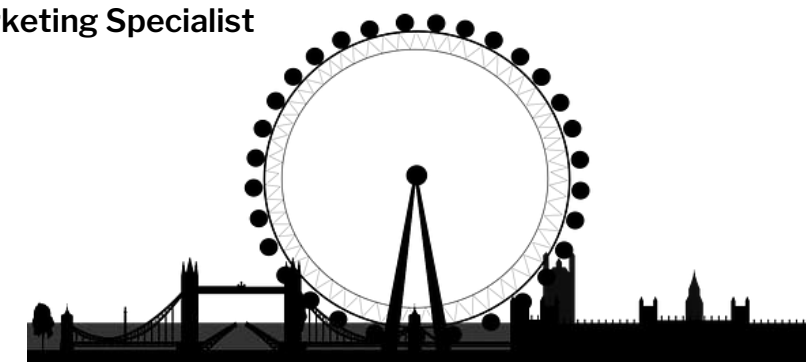

"Taking a girls weekend to visit a new city within driving distance to enjoy shopping, visiting local wineries, distilleries, parks, museums, etc. and dining." - Diane Fischer, eBanking Cash Management Relationship Manager

"I love to go to the State Fair, there is so much to see and do, my husband and I usually spend at least 8-12 hours when we go, we really make a day of it, sometimes 2-3 days! Most of the time we go to one of the concerts. We are really good about not eating too much junk food, I know this is an oxymoron for being at the fair, but we stick to it, no pun intended!" - Barb Gregerson, Receptionist

"I enjoy going to my family lake cabin in Devils Lake, ND and spending time with my family. I love sitting by the bonfire, tubing, boating, going fishing & swimming!" - Sarah Bogenreif, Marketing Specialist
